Dear Parents/Guardians:

Custom School Supplies is excited to offer the parents of children planning to attend **FOUNDATIONS FOR THE FUTURE CHARTER ACADEMY, SOUTHEAST ELEMENTARY CAMPUS** next year the opportunity to pre-purchase their school supplies. We will purchase, package and deliver your children's school supplies for the next year except items listed under "Required but must be purchased elsewhere". Custom School Supplies has been serving schools and parents in Alberta for over 15 years.

There are a few simple steps to ensure your child will receive quality, standardized brand name products that are durable and the required supplies to support your child's learning environment, including those hard-to-find items.

- 1) Please visit our website at [www.CustomSchoolSupplies.ca](http://www.CustomSchoolSupplies.ca)
- 2) Click on "**Order Now**" and then put in the school code: **FFCASEE2019**
- 3) You will be able to securely order your child's supplies online. Payment is verified via Paypal. You will be able to pay with a credit card or if you already have a PayPal account you may choose to pay with your PayPal account.
- 4) Paypal will ask you for a shipping address –although your school supplies will be delivered directly to your school, this is one of the verification processes PayPal uses when you pay with a credit card. **Please make sure the billing address you give exactly matches the address where your credit card bill goes to (usually your home address).**
- 5) Your school supplies will be delivered directly to your school, ready for your child when they arrive at school for Family Orientation.
- 6) The deadline to complete your order online without penalty is **Friday May 31<sup>st</sup>, 2019** .  
Online ordering will still be available after the deadline (until August 1<sup>st</sup>) but may be subject to a \$10.00 late fee.

This is a voluntary program but one that we are sure will be of value to you and your school as it ensures that students will be provided with quality school supplies that meet the school's exact needs. The supplies will be packaged and **delivered directly to your school** in August before school starts. This will give you one less thing to worry about over the summer and provide you with one less expense in September. Let the experts take care of your student supplies!
